Welcome back to F1 it is lovely to see so many smiley faces back at school and to hear so many lovely stories about experiences at home.

A huge welcome to the children who have just joined us at King Edwin. What an exciting time ahead! All the children have done so well this week, we are very proud of them.

Let's Talk

Go and explore an outside space, either a walk around the village, a visit to the park or forest or simply spend time together in your garden.

Talk about what you can see, look for things that are hidden and encourage ideas of wonder. "I wonder why..." "I wonder how..."

School Clothing

Our Little Cubs look so smart and 'grown up' in their uniform, it is lovely to see. However, we have already found so much without names in. Please label everything including shoes, cardigans and bottles.

In the Classroom!

Unfortunately, you are no longer permitted to come into the classroom when you bring your child to school. We are asking for your support with this new routine. Please help your child to put their water bottle and lunch box (if they have one) on the table and then say your goodbyes. Your child can then enter the classroom and hang their own coat up. This is currently taking a bit of time so please be patient with us and support us in making this time as smooth as possible.

Our Theme

We are starting our term getting to know each other and our fabulous new classroom. Our theme is “Who am I?” We will be looking at what we were like as babies, considering who is special to us and using our senses. We will be exploring through our touch, smell, taste, listening and looking at familiar and unfamiliar things. We would love to see a photo of them as a baby, please send one via email or Teams.

Forest School

Our Wednesday Forest School sessions will begin in a few weeks. We will put a note outside the classroom and send a message on Gateway to confirm.

All About Me!

Linked to our theme about “Who am I?” we would like you to create your own family tree. This could include photos or drawings. We will ask the children all about the people in their lives that are important to them. Please take a photo of it and email it to your child’s key worker during this half term. We will be looking at these photos during our sessions.
