

Foundation 2 Homework

Autumn 1 2020

Below are 4 homework challenges linked to our theme; **What makes me a 'King Edwinner'?** Please take a photo of any completed work and email it to your teachers by **Monday 21st October**. Email addresses can be found on our weekly newsletters. We will display your photos around the unit on our special homework display boards.

SPEAKING Challenge

Share photos with your child from when they were a baby to now. Discuss how they have changed physically, what they were unable to do as a baby and what they are good at now. You may wish to share photographs of yourselves or grandparents when they were younger, too.

LITERACY Challenge

Discuss with your child who is in your family. Look at photos of family members and talk about who is who. Encourage your child to draw a picture of their family and with support label who each family member is.

Please encourage your child to practise writing their name using the correct letter formation.

MATHS Challenge

Watch the 'Numberblocks' series on Cbeebies with your child and learn each number's song. Can your child count that amount of objects either in the house or when they are out and about?

Look for numerals in the environment. Can your child identify which number it is?

PHYSICAL Challenge

To ensure that Foundation children are more independent we would like them to practise dressing and undressing so that they develop their skills for getting changed for P.E. Encourage your child to take their own clothes on and off independently, fasten and unfasten buttons and zips and put on their own socks/tights and shoes.

You could use a timer to add a time challenge, too!
