Friday 18th September 2020

Dear Parents/Carers,

Following the overwhelmingly positive response regarding our year 5 children loaning new Chromebooks, we are very pleased to be able to offer your Year 6 child a loan of a new device. We are sorry that it has taken longer than anticipated as stocks of Chromebooks are low and prices have rocketed. We have had to pay a little more for the new devices and they are a slightly higher specification too.

As your child moves through Year 6, we would like them to be able to take home a brand new Chromebook which will support with their studies and potentially help in the seemingly likely event of any further lockdown occurrence. Sadly it is looking quite possible that this could happen so we are moving as quickly as possible with the roll out of devices.

The new Chromebook is installed with everything the child requires in order to access all of their learning at school and at home. We feel that the children will very much welcome this new opportunity and they will be able to continue their use of TEAMS outside of school hours.

We aim to allocate the new Chromebooks in the next two weeks and in order to do this, parents will be required to pay via the Gateway and sign the loan agreement upon receipt of the device. We will not be providing a case or bag as the consensus seems to be that the children may prefer to purchase their own. Typically a case can be bought from between £6 and £20 on Amazon.

As mentioned in our survey before the summer holiday, the devices will be loaned for the whole year. Any loss or damage to the device may need to be covered by parents however, we expect children to look after the Chromebooks and do not anticipate there being many issues over the course of the loan period.

Please contact the office if you have any questions regarding the agreement and to arrange collection of the device in the next couple of weeks.

Kind regards,  
Mr Callaghan-Wetton

Next Steps.... From Tuesday onwards:

[Log on to Gateway and pay](#) > [Sign Loan Agreement](#) > [Arrange Collection](#) > [Collect Device](#) > [Purchase own Case](#)
