Online learning

and communication

Use the gateway app to order school meals, pay for events,

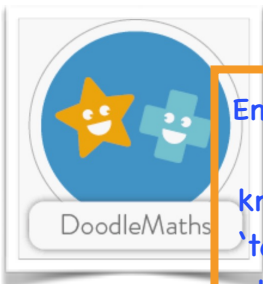

Use the Teams app to view and submit homework. This app will also be used for teaching & learning should our bubble close. Your child will use this more and more in future Year groups.

Support your child to use the Purple Mash app. It helps with all curriculum subjects using fun games and activities. Log in details are in your child's reading diary.

Your child will bring home a blank High 5 hand. Please write on it to let us know about your child's successes at home and return it to school. Send as many as you like.

Encourage your child to use the Doodle Maths app to support their maths skills and knowledge. It is so much fun. Certificates for 'top doodlers' are awarded each week. Log in details were sent to new children via Teams.
