Growing, Learning & Achieving Together

## ECO TEAM SOW SEEDS FOR SPRING

After such a challenging but fantastic half term at King Edwin Primary School, the photograph above feels appropriate. Some of our Year 3 Eco Team are pictured planting bulbs near our school sign, ready for the bloom in springtime.

Across the school, the children have elected their School Councillors, Eco Team, Play Leaders and the teachers have chosen school ambassadors too. We will introduce all of our leaders alongside a welcome message from our Head Girl - Miley Carlin & Head Boy - Harrison Janaway after half term. Well done to all of our new leaders. We look forward to seeing how you develop over the course of the year.

**Please be observant and look out for the following COVID 19 symptoms**

**COUGH**  
A new or continuous cough that is regular

**TASTE OR SMELL**  
Any loss or change to taste or smell should be taken seriously

**HIGH TEMPERATURE**  
Any high temperature - warm to touch on back or neck

**Parking**  
Please make sure that you park carefully near school

DoodleMaths

**Doodle Maths**  
Please encourage your children to keep up DoodleMaths, TTRS & other school app challenges.

**Social Distancing**

Please try to remain socially distanced on our site. You must take your child home immediately after school. We are opening both gates wide to aid entry and exit. Congregating or playing anywhere after school is not allowed.

## WARM PACKED LUNCHES AVAILABLE AFTER HALF TERM

## COVID Feedback

It is great to see so much positive feedback in our latest school survey. We are so **greatful** that parents have been able to complete the survey so quickly and offer good constructive feedback that we can now follow up.

Some of the 'How we can improve' ideas are great! We will be implementing many of them and already had some of them in mind before the survey.

- Gates will now be open fully to allow greater access
- Warm packed lunches are on the way \* see menu
- Less emails - we will try?
- Make more room.... not sure how?
- Costs of after school club - Sherwood Childcare is a private provider
- Encourage social distancing - we will
- Homework - we have to ask parents for help as children have missed 6 months of normal school

**"Our children have been a delight to teach - I am so proud of them"**

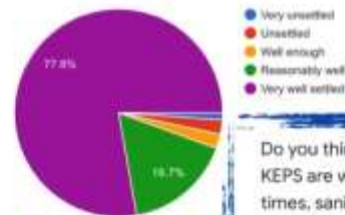

**Mr Ogle, Assistant Headteacher & Yr 6**

Our warm packed lunch menu consists of :

Day	Main option	Vegetarian option
Monday	French stick pizza & fruit	Vegetable Pizza & Fruit
Tuesday	Warm cheese or ham or tuna baguette, veg sticks & frube or raisin pack	Warm cheese boguette
Wednesday	Breakfast wrap with veg sticks, Cheese and crackers or frube	Veg ommlette, veg sausage wraps with crackers with butter & an apple
Thursday	*Week 1 Roast Turkey & stuffing baguette, veg sticks and yoghurt or frube *Week 2 Roast Week 1 Roast Turkey & stuffing baguette, veg sticks and yoghurt or frube *Alternating	Veg Quorn Roast with stuffing in baguette & soya yoghurt
Friday	Fishfinger wrap with potato wedges, veg sticks and flap jack or frube	Fishless fishfingers and wedges in a wrap with a flapjack for dessert.

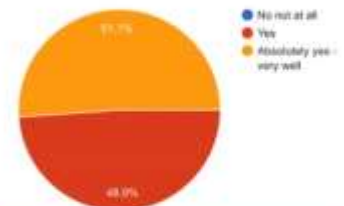

How well do you feel that your child/ren have settled at KEPS this term.

Do you think that our COVID plans at KEPS are working well? (Staggered times, sanitising, clubs, bubbles, restrictions, chrome books etc).

## Parents Consultation Evenings

Our parent consultation evenings will take place in the first week after half term on Tuesday and Thursday unless otherwise arranged by a teacher. Please make sure you have access to TEAMS in preparation for these meetings and get in touch if you have any concerns. Bookings are taking via our Parent Evening System. Please also remember that staff have never delivered in this way before - we will do our best.

Parents Evening

## Our COVID Remote Learning Plan

At the moment we have been very fortunate and only a dozen or so children have had to isolate and miss out on regular lessons. We have a full remote learning plan ready in the event that a local or national lockdown is enforced. This plan also includes information regarding individual children isolating. The following Vimeo link <https://vimeo.com/468990799> from Mr CW will help parents to understand our plans. We also have information detailing all of our COVID support on our website.
