

Year 1 Autumn 2 Bingo Homework

This half term we have decided to keep the homework tasks as simple as possible. Hopefully this will make them manageable for the children to complete at home with your support and straightforward for us to monitor in school.

We can access all online platforms, therefore we will know who has been on the three Doodle areas and purple mash and the other tasks will be monitored by looking at the children's reading diaries. This will mean we wont need to be notified about homework via Teams or email.

If the children complete 2 - 3 pieces of homework they will receive a Bronze certificate, 4 - 5 a Silver certificate and all 6 pieces a Gold certificate.

We will be doing our final homework check on Monday 7th December 2020 and certificates will be given out that week.

Purple Mash Logins are stuck in the reading diaries and the Doodle Logins are the same for all three areas. Please let us know if you're having any issues getting online.

Enjoy learning together,

Learn your key words.
Know how to say them without any sounding out.
We will check them weekly and send out new words when we feel the children are confident with them. If your child doesn't bring home key words, there are word lists in the diary that you can use.

Please record any practice at home in the reading diaries.
