

F2 Foundation Stage Newsletter – Monday 30th November

5 – What is special about this time of year?

We have been so impressed with how the children have adapted to our new system for high 5 time. When the children have completed a challenge they can collect a coloured stick to put in their individual named pot. When they have completed all 5 of their challenges, they will be given a high 5 sticker. If your child comes home with a high 5 sticker please ask them about it and what they did to get it!
