

F1 November Newsletter

It has been lovely to see how well our new Little Cubs have settled into their school adventure. It feels like many of them have been with us for longer than these past 6 or 7 weeks. We have been amazed by how many 'High 5' stickers we have given out. If your child has been amazing you at home, send a photo on TEAMS and we can share this in school.

If you have any concerns or questions please feel free to have a chat with a member of the F1 Team. You are also welcome to send an email:

rjanaway@kingedwin.notts.sch.uk

Forest School

Forest School sessions will continue on a Wednesday. As the weather gets cooler come ready and wrapped up. Please encourage your child to be able to put their shoes and coats on independently. We have shared a video on Twitter for the 'Magic Coat Trick'. It is great to see so many having a go. Great determination!

Uniform

Our Little Cubs look so smart and 'grown up' in their uniform, it is lovely to see. However, we have found so much without names in. Please label everything including shoes, cardigans and bottles.

Let's Talk

Talking to your child about what they can see is a fun and interesting way to encourage and develop their language. Maybe you could go for an 'Autumn Walk' or visit the forest and talk about the different things you can see. Describe it. "A spiky husk", "a pointy leaf" or "a tall tree". If you have any concerns about your child's speech and language development, please speak to a member of staff.

F1 November Newsletter

Dates for diary

Friday 13th November

Children in Need

Monday 16th November

Odd Socks Day

Friday 11th December

Christmas Jumper Day

Parents Evening

Date to be confirmed

Friday 18th December

Last day at school

Our Theme

We will be looking at different animals who come out at night and introducing new vocabulary like 'nocturnal' and 'diurnal'. During this theme we will be reading, re-enacting and telling the story of 'Owl Babies' by Martin Waddell. Our creative activities will include making autumn animals using leaves, making owls using a range of materials and developing our drawing skills.

TEAMS and Gateway

We are posting updates and even photos on TEAMS, please check this regularly and we would love to see photos you send too. Any information school send is through "Gateway" please ensure you are signed up to this.

Night and Day!

To follow our Night and Day topic can you find another story, which is set at night time or one with 'nocturnal' animals in to retell the story together. You could use any toys, teddies or items around your home to use for the characters in the story.

We would love to share this book in school or even film the story telling and email it in for us to watch!

Choose a character from your book to draw a picture of. Think about the shape of the character and the features they have.
