## Year 1 Soldier and Nurses Day

Dear Parents / Carers,

On **Tuesday 9<sup>th</sup> February 2021** we were planning on having a special 'Soldiers and Nurses' day in school and even though the majority of children are working from home, we would still like to go ahead. During the day we will provide the children with a variety of tasks to complete at home. One of the activities we would usually do in school is make vegetable soup. If you're feeling adventurous and have the time (which we know won't be everyone, so don't feel you have to) perhaps the children could have a go at making soup or even just eat some for their lunch that day! We have provided a basic recipe below.

If they wish to, your child may get dressed as a nurse or a soldier on the day. This does not need to involve shop bought costumes, you may already have items you can use, or a simple hat or headband could be made. The children who are in school will be provided with all the same resources and be supported to make items to wear in school.

Our timetable will be slightly different for this special day, so watch out for updates on the calendar.

If you have any questions, please see your child's class teacher.

Kind Regards

Year 1 team.
