Dear Parent/Carer,

Following the success of our African theme day we would like to provide the children with another exciting day of activities before we break up for half term. We have some surprises planned for the day but we will be sticking to the same timings for the live sessions.

For one of the activities, you will need these ingredients and baking equipment. We will be baking online together but it should not require too much parent support. You may wish to weigh out the ingredients beforehand. If your child is in school accessing the key worker provision, they do not need the below list.

- 1 cup of desiccated coconut
- 2 large egg yolks
- $\frac{1}{4}$ cup sugar
- Vanilla essence
- $\frac{1}{2}$ cup of self-raising flour
- Parchment paper on a baking tray
- Mixing bowl
- Wooden spoon

If you have any questions please do not hesitate to message/call.

Thank you for your continued support
