Friday 29th January 2021

Theme days for F1 & F2

Dear Parents and Carers,

We will be having a theme day on **Wednesday 10th February 2021 for F1 children**
and
Friday 12th February 2021 F2 children

The theme is entitled, "Grounded"

We will be carrying out activities to support the feeling of being grounded- peaceful, aware of self and surroundings and working outdoors if possible.

If your child is in school on this day then please send them in their forest school clothes with a change of footwear.

If your child is staying at home all you need to do is log in and access the live sessions.

The live lessons will take place at the usual times but the subjects taught will be; Self-Regulation, Expressive Arts and Design and The Natural World. **You will be expected to be indoors for the live session times.**

Some follow on tasks will involve the outdoors but you do not necessarily have to leave the house.

We have lots of fun activities planned. It should be a day to remember that should leave us all feeling positive and proud.

We are planning to make the F2 lessons much more interactive than usual. (Lots of encouragement to share ideas and 'raise your hand' on the screen but this is not compulsory) The most important thing is that we have relaxing and rewarding day.

We will welcome work sent in via assignments as always on this date but, in keeping with the day, we would prefer you all to share your work on the class wall (via TEAMS). One task is to take a photograph and for others to guess what it is (details will be given on the day). Please look at all the photos submitted on the class wall (via TEAMS) and have a guess. One task will be to make a picture using outdoor/household objects. It would be great if you and your child could like other people's work and maybe add a kind comment.

If you are at home, you don't need to prepare anything for the day.

Kind regards,

Mrs Sophie Sharp
Foundation Stage leader
Forest School Leader
