

Foundation 2 Homework

Spring 2 2021

Below are 4 homework challenges linked to our theme; **'We're going on a Bear Hunt!'** You can complete them together throughout the half term and then return all photos and videos of your homework / you undertaking your homework on the assignments page in Teams by **Wednesday 31st March**.

Physical Challenge

Can you practise becoming independent when:

- zipping up your coat (parents can help you to start this off if you need a little help)
- getting dressed (button a shirt / top)
 - getting undressed

Expressive Art & Design Challenge

EASTER BONNET: Get creative and make your very own Easter bonnet to share in school. Remember to send us a photo of your super creations too.

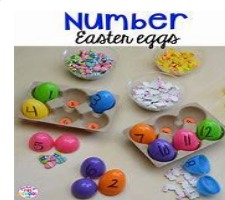

Understanding the World Challenge

Go on a Bear Hunt with your family (this can be in your garden / safe outdoor place). Explore freely and talk about what you can see, hear and feel around you. Send us a video to tell us all about the things you saw, heard etc

Mathematics Challenge

Can you go on a bear hunt or an egg hunt? You will need to hide many different bears around your house (pretend they are hiding in their cave) / hide many different Easter eggs around your house. How many can you find? Please record your findings. Each time you play the game change the amount of bears / eggs you use.
