ALL CHILDREN TO RETURN ON MARCH 8th 2021

Dear Parents/Carers,

You will have received several documents via email tonight regarding the full opening of school next week. Please discuss the return to school at an appropriate level with your child/children in the next few days.

The documents include:

A guide to our reopening including staggered start and end times
COVID 19 - A well-being guide
Coronavirus - a book for children

The documents are also available on our website alongside many other files that have been issued over the course of this pandemic to support all of our KingEdwinner community

<https://www.kingedwin.notts.sch.uk/key-information/covid-19-advice-and-information/>

Please have a look through all of the documents but be reassured that there is little difference between school life in December and that following our return next week. We will be taking a very cautious approach in the first instance and our main focus will be reintegration, socialisation and development of strong routines. Our children will take part in all of their usual sessions and we will revisit the whole idea of being a High 5 KingEdwinner. Our deliberate focus and preparing and ensuring that children are in a good place to learn will set them up for the remainder of the term. After Easter we will increase our extended provision significantly and embark on a busy but hopefully very enjoyable term of learning with all of the children.

Please get in touch with us via helpandsupport@kingedwin.notts.sch.uk if you have any concerns regarding the reopening next week and we will try to support wherever we can.

Please refrain from using the children's TEAM accounts to communicate with the staff moving forwards as the most appropriate avenue is email. It was acceptable during lockdown however, now is the right time to revert back to the normal method. I appreciate your cooperation with this and thank you in advance for your ongoing support all round. You really have been brilliant and we are very appreciative.

Take care and stay safe. We can't wait to see you all very soon.

Mr Callaghan-Wetton (Headteacher)
