Week 2- What Does a Fire Engine Do?

What a fantastic first week back in school. The Foxes and Badgers have really enjoyed learning about our new topic '999 What's the Emergency?'. This week we will be continuing to look at this topic by investigating the components of fire engines. Let's get ready for another great week!

Forest School

We will be building shelters and dens.

Maths

We are beginning to investigate number patterns beyond 10.

Phonics

We will be looking at the Phase 4 blends 'dr', 'cr', 'gr', 'fr' and 'br'. Our spellings this week are 'grab', 'grant', 'bring', 'drop', 'have', 'like'.

Literacy

We will be writing sentences about fire fighters.

High Five Challenges

Respect

Work as a team of fire fighters to put the fire out using the hose pipes.

Creativity

Can you make your own fire engine with moving parts?

Determination

Help to direct the bee bot fire engines to the fire.

Excellence

Label your own fire engines using your phonics knowledge to help you.

Good Choices

Use the tens frames and numicon to investigate numbers to 20.
