

F2 Foundation Stage Newsletter – Monday 21st June 2021

Week 3 – Can we grow our own food?

Euros week was a great success, the children learnt so many facts about Russia and enjoyed finding out more about their culture. They even created their own version of St Basil's Cathedral. This week we are looking forward to having a visit from the Pinxton Puppets. The children will have an opportunity to watch a puppet show in their very own classrooms. Please remember to bring in some material so that you can make your very own puppet. We would like all children to bring in their favourite book from home too (please label with your child's name).

Forest School

We will be making our own pounded yams.

Maths

Number Bonds to 10/20.

Phonics

Spellings: Slept, gift, soft, tent, hunt, next

Literacy

Exploring African music and art.

High Five Challenges

Monday
