COVID Update

Dear Parents,

I am writing to inform you that as of today we have a number of confirmed cases of Covid in school with children isolating due to positive tests. Although this number is still well below the numbers which would cause us to invoke our outbreak management plan, we still need to be highly vigilant and help to protect everyone in our school community.

If your child does have any of the three symptoms: a high temperature, a new continuous cough and/or a loss of taste/smell, please do ensure they take a PCR test. If you are contacted by NHS test and trace as a close contact or if anyone in your household has a positive case then your child must also have a PCR test. Please do ensure if children are symptomatic they are kept off school until the test result is returned. If the result is negative then the child may return to school.

In school, we will maintain our enhanced cleaning, hand hygiene, respiratory hygiene and ventilation practices and continue to keep a watchful eye on case numbers as we move throughout this week and beyond half term. If we need to put any other precautionary measures in place we will inform you at the earliest opportunity of our plans.

Please do keep safe and help us to keep our school community safe.

Kind regards,
Mr Callaghan-Wetton - Headteacher

*please remember our Covid helpline is still open : helpandsupport@kingedwin.notts.sch.uk
