

SPRING

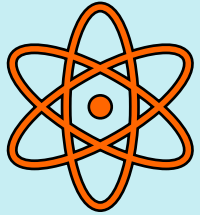

We wish you a Happy New Year!

In Year 4, we strive to make a happy and enthusiastic learning environment that places responsibility on the children's independence for their learning. This half term, we will be looking at what the Romans did for us and what made them so successful. Children will be looking at events in history, innovative ideas, rulers and what brought the end of the Roman Empire, but more importantly, what happened next...

SCIENCE

This term, our science topic is 'States of Matter'. We will be looking at the characteristics of solids, liquids and gases.

TEAMS:

Please make sure your child has access to their TEAMS account. Assignments/information will be placed here.

REMINDER

Due to weather, there will be **no** Forest School this term.

ART/D&T

We will be looking at Roman Mosaics and creating our very own Roman Artillery!

QUALITY TEXT

The Adventures of Edward Tulane
