Dear Parents/Carers,

This year at KEPS we are celebrating 'World Diabetes Day' On Tuesday 16th November 2021. This year marks 100 years since the revelation of treatment and medication that has saved millions of lives around the world! For World Diabetes Day 2021, we are celebrating this incredible breakthrough and the century of life changing diabetes discoveries!

On this day, we would love to see our amazing KingEDWINNERS wearing their (already blue) uniform and a pair of blue jeans or blue trousers to promote the awareness of diabetes. However, this is optional. I will be delivering an assembly all about living with diabetes and my experience of it from the age of 11. I can't wait to see everyone in blue, raising awareness for something so close to my heart.

I thank you for your continuing support and co-operation.

Miss Hands.

world diabetes day
