1 STATEMENT OF INTENT

The Governing Body of King Edwin Primary & Nursery School will meet their responsibilities under the Health and Safety at Work Act and other health and safety legislation to provide safe and healthy working conditions for employees and ensure their work does not adversely affect the health and safety of others (including; pupils, visitors, contractors etc.). Details of how this will be achieved are given in this health and safety statement.

The Governing Body will ensure that effective consultation takes place with all employees on health and safety matters and that individuals are consulted before allocating particular health and safety functions to them.

Where necessary the Governing Body will seek specialist advice to determine the risks to health and safety in the school and the precautions required to deal with them.

The Governing Body will provide sufficient information and training in health and safety matters to all employees in respect to the risk of their health and safety.

The Governing Body requires the support of all staff to enable the maintenance of high standards of health and safety in the school's activities.

The school is committed to continually improving its health and safety performance.

This statement includes a description of the organisation of the school and its arrangements for dealing with different areas of risk. Details of how these areas of risk will be addressed are outlined in the arrangements section.

2 ORGANISATIONAL STRUCTURE AND RESPONSIBILITIES

2.1 MANAGEMENT STRUCTURE

The structure chart outlines key roles and responsibilities within the school's health and safety management system.

2.2 RESPONSIBILITIES OF THE GOVERNING BODY

The Governing Body are responsible for:

- Complying with the Nottinghamshire County Council or Trust Health and Safety Policy and arrangements.
- Formulating and ratifying the school health and safety statement and health and safety plan.
- School to have access to health and safety competent advice as stated in Regulation 7 of the Management of Health and Safety at Work Regulations.
- The site and premises is maintained in a safe condition and that appropriate funding is allocated to this area from the budget.
- Prioritising action on health and safety matters where resources are required from the school budget. Any hazards which the school is unable to rectify from the school budget must be reported to the Local Authority or Trust.
- Regularly reviewing health and safety arrangements (minimum annually) and implementing new arrangements where necessary.
- Promoting high standards and develop a positive culture of health and safety within the school.
- Employees to have necessary competence to conduct their duties in relation to health and safety matters.
- Risk assessments are completed and recorded of all the schools work activities (including those off-site) which could constitute a significant risk to the health and safety of employees and others.
- The statement of intent and other health and safety documentation is drawn to the attention of all employees.
- Conduct active and reactive monitoring of health and safety matters in the school.

2.3 Responsibilities of the Head Teacher

The Head Teacher is responsible for:

- The day to day management of health and safety matters in the school in accordance with the health and safety policy and ensuring the health and safety arrangements are carried out in practice.
- Risk assessments are completed and recorded of all the schools work activities (including those off-site) which could constitute a significant risk to the health and safety of employees and others.
- Conduct active and reactive monitoring of health and safety matters in the school and remedial action is taken (where necessary) to reduce risk.
- Information regarding health and safety matters will be communicated to the relevant individuals.
- Identify staff health and safety training requirements and make arrangements for provision.
- Establish and attend the school's health and safety committee (where appropriate).
- Co-operating with and providing necessary facilities for trade union safety representative(s).
- Participating in the Local Authority health and safety auditing arrangements and ensuring audit action plans are implemented.
- Monitoring the purchasing and maintenance of equipment and materials with regards to compliance with current health and safety standards.
- Employ only competent contractors to work on the school site.
- Seek specialist advice on health and safety matters where appropriate.
- Implement formal arrangements for managing emergency situations.
- Compliance with the requirements of the Occupier's Liability Act.

Note:

In the absence of the Head Teacher these responsibilities fall to their immediate deputy.

2.4 Responsibilities of the Health and Safety Co-ordinator (must be a Senior Member of Staff)

Responsible to the Head Teacher for:

- Attending appropriate health and safety training courses to enable them to discharge their duties effectively.
- Promoting health and safety matters throughout the school and assisting the Head Teacher in the implementation of the health and safety policy and arrangements.
- Maintenance of health and safety documentation and associated records to ensure they remain up to date with current legislation and good practice.
- Implement a health and safety notice board and sure it is kept up to date.
- The correct accident reporting procedures are followed and where appropriate accidents, incidents and near misses are investigated.
- Conduct routine health and safety inspections and implement a method of internal audit. A system must be in place to monitor and respond to any identified remedial actions.
- Implementing procedures for the authorisation of school visits.
- Participating in health and safety audits arranged by the Local Authority.
- Providing health and safety induction training for all new employees.
- Maintenance of health and safety training records including the provision of refresher training.
- Statutory inspections are completed and records kept.
- Emergency drills and procedures are carried out regularly and monitored for effectiveness.
- Monitoring contractors on site and conduct a formal, documented induction.
- Attend the school's health and safety committee (where appropriate).

Note:

In the absence of a designated Health and Safety Co-ordinator the above responsibilities will fall to the Head Teacher.

2.5 Responsibilities of all Employees

All employees at the school have responsibility to:

- Take reasonable care for the health and safety of themselves and others when undertaking their work.
- Checking classrooms, work areas and equipment are safe.
- Ensure safe working procedures are followed as outlined within health and safety policy and risk assessments.
- Co-operating with the Local Authority, Governors and Head Teacher on all matters relating to health and safety by complying with the health and safety policy.
- Not intentionally or recklessly interfering or misusing equipment or fittings provided in the interests of safety or welfare.
- Reporting immediately to their Line Manager or Head Teacher any serious or immediate danger.
- Reporting to their Head Teacher any shortcomings in the arrangements for health and safety.
- Only use equipment or machinery which they are competent to use or have been trained to use.
- Participating in health and safety inspections and the Health & Safety Committee (where appropriate).

3 Arrangements

3.1 Co-ordination and Communication

Health and Safety Co-ordinator

Senior member of staff in the school with special responsibility for health and safety matters (Health and Safety Co-ordinator):	<i>Headteacher</i>
--	--------------------

Safety Representatives and Safety Committees

Employee(s) appointed as a safety representative by their association or trade union:	<i>William Morton (Site Manager)</i>
---	--

Health and Safety Committee

The members of the School Health and Safety Committee are:

Name	Job Title
Andy Callaghan-Wetton	Headteacher
Lindey Marsh	Deputy Headteacher
Phil Jones	Chair of Governors
Lesley Armitage	SBM
William Morton	Site Manager

3.2 Emergencies

Senior member of staff in the school with responsibility the development, maintenance and implementation of the emergency plan:	<i>Headteacher</i>
A copy of the emergency plan is available at:	<i>School Office</i>

The person (and deputy) responsible for ensuring and supervising (where appropriate) the controlled evacuation of people from the building or on the site to a place of safety	Person Responsible <i>Headteacher</i>	Deputy <i>Deputy Headteacher</i>
Summoning of the emergency services	<i>Headteacher</i>	<i>Deputy Headteacher</i>
That a roll call is taken at the assembly point	<i>Headteacher</i>	<i>Deputy Headteacher</i>
That no-one attempts to re-enter the building until the all clear is given by the emergency services	<i>Headteacher</i>	<i>Deputy Headteacher</i>

Note: The priorities are as follows:

- To ensure the safety of all persons, their removal from danger, their care and the application of first aid and medical treatment where appropriate.
- To call the emergency services when appropriate.
- To safeguard the premises and equipment, if this is possible without putting persons at risk.

Locations of Main Service Isolation Points

Service	Location of Isolation Point
Water	Boiler Room
Gas	Boiler Room
Electricity	Boiler Room

Severe Weather

During periods of severe weather, arrangements for maintaining safe access to, from and within the premises (e.g. clearing snow and ice) will be determined by:	<i>Headteacher</i>
---	--------------------

3.3 Accidents and Medical Arrangements

Accident, Incident and Near Miss Reporting and Investigation

Any employee who witnesses an accident, incident or near miss, or to whom one is reported, will make an entry in the accident report book as soon as possible after the event:

Accident book(s) are kept by the following people at the location specified:

Location of Accident Book	Person in Charge of Accident Book
First Aid Points -	
Foundation, KS1, KS2 and School Office	<i>C Milnes – Senior MDSA</i>
Accident reports must be drawn to the attention of the Head Teacher and where necessary reported via the Wellworker online system*:	<i>Headteacher</i>
	<i>Deputy Headteacher</i>
Person responsible for monitoring accidents, incidents and near misses to identify trends and patterns:	<i>Headteacher</i>

Person responsible for dealing with the administration of controlled drugs (e.g. Ritalin) in accordance with the Misuse of Drugs Act. Including keeping records of parental permission, liaising with the providing pharmacist, keeping medicines secure, keeping records of administration and safely disposing of medicines which are no longer required:	<i>First: M Coleman</i>
	<i>Deputy: Headteacher</i>
Person(s) responsible for undertaking and reviewing the care plans of pupils with medical needs:	<i>Special Educational Needs Co-ordinator</i>

3.4 Hazard Identification and Control

Risk Assessment

Person responsible for carrying out an assessment of the school's work activities including extra-curricular, off-site activities (inc. school trips / residential), work carried out by contractors or volunteers on site, identifying hazards and ensuring risk assessments and procedures are appropriately communicated:	<i>Headteacher</i>
--	--------------------

Hazard Reporting and Follow Up

All employees, governors and trustees must report any hazards that could be a cause of serious or imminent danger e.g. damaged electrical sockets, broken windows, suspected gas leaks, wet or slippery floors immediately to:	<i>Site Manager</i>
Person responsible for initiating a risk assessment of hazards identified and any remedial action decided upon:	<i>Headteacher</i>

Repairs and Maintenance

A person encountering any damage or wear and tear of the premises which may constitute a hazard should report it to:	<i>Site Manager</i>
Defective furniture must be taken out of use immediately and reported to:	<i>Site Manager</i>
Person responsible for ordering repairs and maintenance:	<i>Headteacher</i>

3.5 Information, Instruction and Training

Provision of Information

Person responsible for distributing all health and safety information received from the Local Authority:	<i>Headteacher</i>
Records of employees' signatures indicating that they have received and understood health and safety information is kept:	<i>School Office</i>
The health and safety notice board is sited:	<i>School Office</i>
Person responsible for ensuring documents are displayed on the health and safety notice board and keeping it up to date:	<i>School Business Manager</i>
The HSE Health and Safety Law Poster is displayed:	<i>School Office</i>
The NCC Health and Safety Policy Statement Poster is displayed (NCC Schools Only):	<i>School Office</i>

Health and Safety Training

Person responsible for drawing to the attention of all employees the following health and safety matters as part of their induction training:	<i>Headteacher</i>
---	--------------------

- Health and Safety Policy (Local Authority / Trust and Departmental)
- Local asbestos register and disturbance procedure
- Risk assessments
- Fire and other emergency arrangements
- Accident reporting arrangements
- First aid arrangements
- Safe use of work equipment
- Good housekeeping, waste disposal and cleaning arrangements
- Hazard reporting and maintenance procedures
- Special hazards and responsibilities associated with their work activity
- Special needs of young employees (e.g. work experience placements).

Person responsible for co-ordinating the provision of health and safety training needs of employees in consultation with their line managers:	<i>Headteacher</i>
Person responsible for compiling and implementing the school's annual health and safety training plan:	<i>Headteacher</i>
Person responsible for reviewing the effectiveness of health and safety training:	<i>Headteacher</i>
Employees who feel that they have need to health and safety training of any kind must notify in writing the contact person:	<i>Headteacher</i>

3.6 Premises

Asbestos

Person with overall responsibility for managing asbestos:	<i>N/A</i>
The asbestos register is kept at:	<i>N/A</i>
Person with responsibility for ensuring the local asbestos management plan is implemented and maintained:	<i>N/A</i>
The disturbance procedure is displayed in a (staff only) area, at:	<i>N/A</i>
The condition of asbestos is monitored (periodically, in accordance with register/LAMP) by:	<i>N/A</i>
The LAMP is kept in:	<i>N/A</i>

Legionella

Person with overall responsibility for managing Legionella:	<i>Site Manager</i>
The Legionella risk assessment is kept at:	<i>Site Manager office</i>
Person with responsibility for ensuring that remedial actions from the risk assessment are followed through:	<i>Site Manager</i>
The water temperatures and other maintenance tasks associated with the water system are taken (monthly) by:	<i>Second Element</i>
The flushing of little used outlets is carried out (weekly, including school closure periods) by:	<i>Site Manager</i>
The log book is kept in:	<i>Site Manager office</i>

Fire

Person with overall responsibility for managing fire safety:	<i>Headteacher</i>
The fire risk assessment is kept at:	<i>School Office</i>
Person with responsibility for ensuring that remedial actions from the risk assessment are followed through:	<i>Headteacher</i>
Person responsible for routine maintenance and servicing of fire safety equipment:	<i>Site Manager</i>
The log book is kept in:	<i>Site Manager office</i>

3.7 Security

Premises

Person (and their deputy) responsible for unlocking and locking the building, arming / disarming security alarms etc:	First: <i>Site Manager</i>
	Deputy: <i>Headteacher</i>

Visitors

On arrival all visitors must report to:	<i>School Office</i>
Where they will be issued with; <ul style="list-style-type: none"> • An identification badge • Relevant health and safety information • Sign the visitors book 	

Lone Working

Person responsible for ensuring risk assessments are prepared and implemented for lone working activities:	<i>SBM</i>
--	------------

3.8 Use of Premises Outside School Hours

Person responsible for co-ordinating lettings of the premises in accordance with the lettings procedure:	<i>School Business Manager</i>
--	--------------------------------

3.9 Control of Contractors

Person responsible for commissioning building work and is aware of their legal duties under the Construction (Design and Management) Regulations: (Note: this may differ dependant on individual requirements of a project)	<i>School Business Manager</i>
Person responsible for the completion of the Notification of Building Works form and sending to H&S team in timely manner:	<i>School Business Manager</i>
Person responsible for selecting contactors and vetting contractors' health and safety policies, risk assessments, method statements, insurance and past health and safety performance:	<i>School Business Manager</i>
Responsibility for liaison and monitoring of contractors:	<i>School Business Manager</i>

3.10 Work Equipment

Powered Access Equipment, Mobile Access Platforms, Tower Scaffolds

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	<i>N/A</i>
Person(s) authorised and competent to operate and use:	<i>N/A</i>

Ladders

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	<i>Site Manager</i>
Person(s) authorised and competent to operate and use:	<i>All Staff</i>

Stepladders

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	<i>Site Manager</i>
Person(s) authorised and competent to operate and use:	<i>All Staff</i>

Manual Handling Equipment

Person responsible for ensuring that sack barrows, flat-bed trolleys etc. are maintained in safe condition:	<i>Site Manager</i>
---	---------------------

Equipment Provided for Pupils with Special Educational Needs

Person responsible for ensuring all hoists, used for moving people receive a thorough examination and service every six months by a competent contractor and kept in good working order:	<i>N/A</i>
Person responsible for ensuring that slings are laundered regularly (in accordance with manufacturers instruction) and kept in a hygienic condition:	<i>N/A</i>
Person responsible for ensuring all wheelchairs, standing frames are inspected and serviced annually by a competent person, kept in a hygienic condition and in good working order:	<i>Site Manager</i>
Person responsible for ensuring that other special needs equipment is kept in good working order and serviced appropriately:	<i>Special Educational Needs Co-ordinator</i>

Lifts

Person responsible for ensuring lifts receive a thorough examination and service every six months:	The lift is currently out of order
--	------------------------------------

Pressure Vessels

Person responsible for arranging a written scheme, thorough examination and maintenance of pressure vessels:	<i>N/A</i>
--	------------

Caretaking and Cleaning Equipment

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	<i>Site Manager</i>
Person(s) authorised and competent to operate and use:	<i>Cleaning & Kitchen Staff</i>

PE Equipment

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	<i>Headteacher</i>
Person(s) responsible for regular daily visual inspection and in-house routine inspection:	<i>PE Coordinator</i>
Contractor responsible for annual full inspection and report:	<i>Sportsafe UK</i>

Outdoor Play Equipment

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	<i>Headteacher</i>
Person(s) responsible for regular daily visual inspection and in-house routine inspection:	<i>PE Cordinator</i>
Contractor responsible for annual full inspection and report:	<i>Sportsafe UK</i>

Stage Lighting Equipment

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	<i>Headteacher</i>
Person(s) authorised and competent to operate and use:	<i>Teaching & Support Staff</i>

Mobile Staging and Seating

Person responsible for selection, inspection, maintenance, training, supervision, safe use and risk assessment:	<i>Site Manager</i>
Person(s) authorised and competent to operate and use:	<i>Teaching & Support Staff</i>

Portable Electrical Appliances and Hard Wiring Circuits

Person responsible for ensuring the hard wiring circuits are periodically inspected (every 5 years):	<i>Site Manager</i>
Person responsible for ensuring remedial actions are undertaken from the hard wiring circuits inspection and retaining a record of this:	<i>Site Manager</i>
Person responsible for ensuring portable electrical appliance testing is carried out at appropriate intervals and recorded:	<i>Site Manager</i>
Person(s) responsible for carrying out formal visual inspection and testing:	<i>Site Manager</i>
Staff must not bring onto the premises any portable electrical appliances unless authorised and have been portable appliance tested. The person responsible for authorising their use on the premises:	<i>Headteacher</i>

Display Screen Equipment (DSE)

The following employees are classified as users of display screen equipment and an assessment will be undertaken of their workstations.

Employee Name	Job Title
<i>Lesley Armitage</i>	<i>School Business Manager</i>
<i>Melanie Coleman</i>	<i>Admin Assistant</i>

Person responsible for implementing the requirements of the DSE risk assessment:	<i>School Business Manager</i>
--	--------------------------------

Swimming Pools

Person responsible for ensuring the swimming pool is: <ul style="list-style-type: none"> • Correctly and safely maintained • Regular inspections are carried out • Remedial action is taken or if necessary the pool is taken out of use where necessary • Appropriate records are kept 	<i>N/A</i>
Person responsible for ensuring the swimming pool is used only by authorised persons in accordance with the code of safe practice, with lifesavers and adequate supervision etc.	<i>N/A</i>

Vehicles

Employees who are required to use their private vehicle for official business are responsible for gaining authorisation from: They will ensure the driver has a valid licence, appropriate insurance, the vehicle is road worthy and fitted with suitable seat belts for each passenger.	<i>Headteacher</i>
Person responsible for arranging insurance and maintenance of vehicles to the standards laid down by the Local Authority.	<i>Headteacher</i>
Person responsible for authorising the use of the school minibus, ensuring risk assessments are completed, drivers have passed their minibus test etc.	<i>N/A</i>
Person responsible for maintaining a list of authorised drivers of school vehicles who have passed the required test:	<i>N/A</i>

3.11 Substances and Personal Protective Equipment

Hazardous Substances

Inventories of hazardous substances used in the school are maintained by the following employees at the locations specified:

	Person Responsible	Location / Extension
Science	<i>Site Manager</i>	
Art	<i>Site Manager</i>	
Caretaking	<i>Site Manager</i>	
Cleaning	<i>Site Manager</i>	
Catering	<i>DSO</i>	
Grounds Maintenance	<i>Town & Country Landscapes</i>	
Other (please state):		
Copies of all the hazardous substances inventories are held centrally in:		<i>Site Manager office</i>
Person responsible for obtaining the latest Hazcards / MSDS and undertaking / updating the COSHH risk assessments:		<i>Site Manager</i>
Person responsible for ensuring local exhaust ventilation (e.g. fans, kitchen ventilation, dust extraction etc.) will receive a thorough examination by an appointed contractor:		<i>Site Manager</i>

Personal Protective Equipment (PPE)

Suitable PPE will be provided free of charge, where identified as necessary in a risk assessment. All employees are responsible for informing their line manager as soon as they become aware of a need to repair or replace PPE.

Person(s) responsible for inspecting PPE termly and replacing PPE when required are:	<i>N/A</i>
Person responsible for the risk assessment, provision, storage, maintenance, inspection, repair and replacement of respiratory protective equipment:	<i>N/A</i>

3.12 Housekeeping and Waste

Cleaning Arrangements

All members of staff are responsible for arranging to clear up spillages, which occur whilst they are in charge of the area concerned. Other spillages, leaks or wet floors should be reported to the Site Manager to be dealt with.
