

Dear parents,

Tomorrow is 'World Thinking Day' which is an annual event celebrating international friendship since 1926. It focuses on global issues that affect our local communities. This 'day' was created by the Girl Guides and Girl Scouts all those years ago, and on the 22<sup>nd</sup> of February for a reason. This is because it was on tomorrow's date that Lord Baden-Powell (founder of the Scout movement) and Olave Baden-Powell (World Chief Guide) were born - 22<sup>nd</sup> February.

Please allow your children to come to school in their Beavers, Cubs, Scouts, Brownies, Rainbows or Guides uniforms to celebrate and highlight this event to others.

Regards,

Mr Ogle
