* In addition to the staffing structure documented above, KEPS will also be welcoming several other additional adults to our school in September. We have appointed new apprentice Teaching Assistants and will be supporting many trainee teachers at various levels in their training career in the new academic year.

In 2022-23 we have taken the decision to employ additional teacher in Foundation 2, Year 1, Year 2, Year 5 and Year 6. This effectively results in some year groups being taught by three teachers.
