## **Year 6 PGL**

**Year 6 spent 5 days at PGL. We asked Lydia all about it, she said “I enjoyed it, everyone was working as a team and supporting each other. My favourite activity was the giant swing!” We also asked Liam who said “I had loads of fun, my favourite activity was the giant swing because you got a huge thrill doing it!”**

## **Year 6 Performance**

**Year 6 are doing a performance called 'Oh What A Knight'.' Year 6 are so excited to show it to the school and the parents and careers.**

## **Arts award**

**We asked Mrs Merrygold what the Arts award is all about. Mrs Merrygold explained that the arts award is a qualification given by Trinity College London to support creativity. Mrs Merrygold ran a KS2 arts award club with 19 children and they completed the Explore Award. They looked at artists, learnt new skills, learnt about putting on an and then produced their own work and exhibited it. The focus was on portraits. Their exhibition was actually a huge suitcase that they called the 'The Traveling Exhibition'. Miss Webster also completed the Arts award Discover qualification with 18 children from KS1, they enjoyed completing lots of their work in forest school.**

# Work of the week

Work of the week goes to someone in year 1 called Amelia-Rose for her amazing poem in English.

## Club interviews

In cricket club they played scatter ball and here is a brilliant interview.

Henry said “even though Teddy has never played cricket he is really good, I enjoy playing with him!”

Henry enjoyed batting because he scored lots of runs. Teddy enjoyed fielding.

We also decided to talk to Milly D from Clay Creators. I asked “What do you like about clay creators?” Milly replied “I like that we make something different every week!” I also asked “why did you decide to join?” she answered “to try something new. I would encourage people to try it because it is good fun and it is always great to try something new.”

We asked Logan about Forest School Club. He said “Forest school club is really nice, we do lots of fun activities!”

## Sports!

Our girls football team won 8-2 against St. Micheles school, they played amazingly. Lola S ( year 6 ) scored 3 and Isla S ( year 6 ) scored 5.
