

Unit of Learning: How is a river formed?

Year 3, Autumn Term 1

Half Termly Bingo Homework

Homework contributions will be celebrated on the last Wednesday of the half term! Don't forget to practise your weekly spellings too!

Make a comic strip version of the water cycle. Could a water droplet be the main character?

Create an informative poster teaching people how to be safe around rivers.

Create a sculpture/model of a river. You could use clay, salt dough, papier mache, junk materials or any other materials of your choice. Be creative!

Maths: find the lengths of the world's 10 longest rivers. Then present the lengths in order from longest to shortest.

Write a story with a river theme. Maybe there is a river monster or a creature which comes to life!

Bronze certificate = 2/3 pieces of homework

Silver = 4/5 pieces of homework

Gold = 6 pieces of homework

Each week, access your DoodleMaths added extras related to that week's maths work!
