

Bingo Homework Activities - Autumn Term 2

Year 6 Unit of Learning: Climate Change

Activity 1:

Doodle Platforms:
Ensure each week that you complete your Doodle Maths, English and Spelling 'Added Extras' **All 3 must be done.** Can you remain in the green zone up until Christmas?

Activity 2:

Reading for pleasure:
Ensure that you read at least 4 times a week. Many of you are getting close to your Bronze Reading Certificate. Which class can get more before Christmas: 6AO or 6SH?

Activity 3:

Reading Progress:
How accurate is your reading?
How many words per minute do you read? Access assignments in TEAMS and complete the 'Reading Progress' activity which is all about climate change.

Activity 4:

Each week you are going to be given **spellings** to learn. Practise these (including on Doodle) to ensure you get more than 80% every Friday morning. These should be written down in your diary and will be on TEAMS each week.

Activity 5:

Who is Greta Thunberg?
Use the internet to research who she is, what she believes in, what she has done to get her messages across, and the impact she has had on our world.

Activity 6:

Video to watch (3 mins 40):
Watch this video by Sir David Attenborough. What 3 simple things **are** you going to change about your lifestyle to help the planet? Write down these pledges to share on our wall display.

Activity 7:

Are we experiencing extreme weather in Britain?
Who can remember the 'Beast of the East' or the severely hot weather through the summer? Write a **newspaper report** (you could use IT) about a recent weather abnormality: flash flood, drought, snow storm etc. This could be from a real event, or you can be creative and invent one in Edwinstowe.

Activity 8:

Art:
Create your own piece of art to raise awareness of climate change.
