Dear Parent/Carer,

## Revision Guide Order Form

Firstly, I want to say a big thank you to all parents that managed to see us last week for parents evening. If you still haven't managed to see us for whatever reason, please send us an email (addresses at the bottom of this letter) and we will endeavour to arrange a time and place suitable for both parties.

During the month of May (week beginning 8<sup>th</sup> May), Year 6 children across the country will be sitting their Key Stage 2 SATs tests, in Reading, GPS (Grammar, Punctuation and Spelling) and Maths. This will be tweaked slightly as we now have the King's coronation on the Monday - so it is a Bank Holiday Monday. As a school, we like to fully prepare the children as best we can in order for them to achieve their full potential. CGP revision guides are a really helpful way to do exactly that, as they prepare children for their end of Key Stage 2 Tests. If you visit the website <https://www.cgpbooks.co.uk/> there are hundreds of different books and guides available that in the past, have baffled our parents: they simply haven't known which books to order.

So this year, we have selected the books that we think would be most appropriate and useful heading towards our SATs exams. The guides are split into 5 sections:

### Practice SAT papers

These packs contain full sets of CGP's realistic KS2 SATS Practice tests, all fully up-to-date to match the SATS in 2023 and beyond! Marking is made super-easy with complete answers and mark schemes. Plus, an easy-to-use pupil answer book means students can mark their own work.

Down the left-hand side of the tables, you will see an **item number (the first column on the left)**. On the order form below, please state this number, then we can process all the requests as quickly as possible. These guides do tend to come into school only a few days after our order, so you should have the books very soon. There is no expectation for parents to purchase these books, however we have used them in the past and pupils have found them really useful. Through purchasing with school, you will also receive a significant discount as you can see on the tables.

If forms could be handed in by the **23<sup>rd</sup> November**, then we will make the order on that day. Finally, as the money will be a different amount for everybody depending on what you order, we are **not** going to put the payment method on the Gateway App - this would be too tricky to organise. We are asking parents to **send in the money (or cheque) to school along with the order form** below.

Regards,

Year 6 Team
