11th October 2022

Dear Parents/Carers,

We will shortly be hosting our Autumn Term parents evening sessions. After much consideration we have decided to continue our offer of a 'hybrid' blend of either a **TEAMS virtual appointment or a face-to-face meeting** – on **Tuesday 1st & Thursday 3rd November 2022.**

It is important that we state our preference of meeting face to face with families as this personal approach is more in line with our school culture and ethos. This being said, the ease of virtual meeting is clearly beneficial to so many families for various reasons and we want to continue to offer our blended approach. We are aware that some families have work commitments, they work away or on late shift patterns. The option of having the face-to-face or virtual meeting gives our families a level of flexibility. We hope to accommodate all of our KingEdwinner families accordingly.

We would like to invite you all to sign up to a parent's consultation appointment and must reiterate how important we feel these meetings are. They are a valuable chance to meet with your child's class teachers to discuss how your child has settled this term; to briefly review progress and consider next steps in the child's learning.

In order to provide parents with the most convenient time possible with their child's teachers, we use an appointment system throughout the school. This allows parents who may have several children at the school to make consecutive appointments rather than having to wait for long periods of time in between meetings. Each appointment block is 10 minutes long (including sign in and sign off time if held virtually) and we would ask all parents to **strictly keep to these timings.** The virtual nature of some appointments will mean that 7-8 minutes is allowed for each consultation.

Bookings for appointments is through the Parents Evening booking system which will go live on Thursday 13th October at 4.00 pm. Confirmation of appointment times will be issued immediately. A guide of how to use the system is attached to this letter. **It is important that you indicate your preference of a virtual or face-to-face meeting clearly in the comment section of the booking system. Please ensure that you make this very explicit.**

In the meetings you may expect teachers to give an indication of how your child is getting on in school. They may refer to work completed or perhaps the attitude that a child shows to learning. Homework may be mentioned and various ideas for supporting children either academically, socially or emotionally. As a school we are assessing children based upon their current likelihood of meeting age related expectations at the end of this academic year.

If you are unable to attend on one of the designated evenings, please contact your child's teacher who will try to arrange an alternative, mutually convenient appointment to see you.

After the success of previous parent consultation evenings; we are confident that our blend of virtual and face-to face meetings will work well. If there are any issues ...please be patient and in the unlikely event that your meeting doesn't take place, we will reschedule at your earliest convenience.
