COST OF LIVING CRISIS

Dear Parent/carers

We are very much aware of the current 'cost-of-living crisis' and understand that it may add extra pressure upon KEPS families at an already challenging time of year.

We really want our parents to know that we fully understand...and are here to help.

- We can provide contact information for support services and make contact with external agencies.
- We can seek advice and information on your behalf and feed this back to you
- We can provide moral and emotional support during times of difficulty
- We can communicate concerns to other members of the school community and be a contactable person for yourself and other agencies
- We can work with you to find solutions to situations before they become a problem

Other local services and/or support that we can guide you towards include:

- CAMHS - [Mental Health Child and Adolescent Mental Health Services \(CAMHS\)](http://nottinghamshirehealthcare.nhs.uk) (nottinghamshirehealthcare.nhs.uk)
- APTCOO - [Family Support Contact | Aptcoo](#)
