

The pop-up shop is back by popular demand!

It will work similar to last year, only this year we will be using our platform on PTA Events instead of paper order forms to choose and pay for your chosen price bracket(s) - please see our separate instruction sheet if you don't yet have a PTA Events account.

Step 1 - Using your PTA Events account that you set up for our disco, log in and choose your price bracket. You can select as many options as you want!

Step 2 - pay for the options in your basket and assign them to your child(ren).

Step 3 - the children will visit the shop in school and choose the gifts themselves from several different options.

Step 4 - the children will bring their gifts home on **Friday 17th March.**

There will be 3 different price brackets to choose from:

£150

£3

£5

Once again we have a range of gifts for the children to choose from, in all price brackets, for the wonderful women in their lives.

Orders will close at midnight on Friday 10th March

Questions? Please feel free to email us: thefoketeam@outlook.com

Do you want to know a little secret? The shop will be open twice this year, we will open it again in June for all of the marvelous men....shhhhh!
