Vocabulary

Pollution

the introduction of harmful materials into the environment. It can also be created by human activity, such as trash or runoff produced by factories.

Overcrowded

the presence of too many people in the available space and facilities

Factory Act

A law that stated;
 - no child workers under nine years of age. employers must have an age certificate for their child workers.
 - children of 9-13 years to work no more than nine hours a day.
 - children of 13-18 years to work no more than 12 hours a day.

The Education Act

compulsory education in England and Wales for children aged between 5 and 13 years old.

Migration

the movement of people from one place to another.

Workhouse

Large buildings where poor people who had no home or job lived. People would do jobs around the workhouse in order to stay there. As well as the poor orphaned children, the sick, disabled, elderly and unmarried mothers were also usually sent to the workhouses
