

Half Termly Bingo Homework Year 3, Summer Term 1 *Geography (How to be environmentally friendly)*

Homework contributions will be celebrated on Friday 26th May, 2023

Don't forget to read at least 4 times a week, practice your weekly spellings and access Times Tables Rock Stars and your Doodle EXTRAS.

Science

Make a rain gauge and monitor how much water you collect over an agreed period of time. Use the collected water to give some plants a drink!

<https://www.metoffice.gov.uk/weather/learn-about/met-office-for-schools/other-content/other-resources/weather-station/rain-gauge>

English

Find out about some of the UK's endangered species.

<https://www.bbc.co.uk/bitesize/articles/z7gn92p>

Make a poster to show what you have learnt, including ways to help protect these species.

Art and Design

Draw, sketch, sculpt or collage a picture of one of the UK's endangered animals. Can you use recycled materials?

Bronze certificate = 2 pieces of homework, **Silver** = 4 pieces of homework, **Gold** = 6 pieces of homework

Reading

Log on to TEAMS.

Look under 'Assignments'. You will find a reading task to complete. Read the extract ("What do plants need?") out loud into the computer. It will record you!

Play it back to see how accurate and fluent you were. Have another go. Did you notice an improvement?

Geography

Make a list of what can be recycled at home in our area.

Check that the right items are going into your silver bin at home.

<https://www.newark-sherwooddc.gov.uk/recycle/>

Widely Recycled

Maths

<https://www.foodmiles.com/>

Select some packaged food items from your fridge or cupboard. Check the country of origin. Use the link to find out how many 'food miles' the item has travelled. Record the information in a log.
