

Energise Bingo Homework

Choose at least 2 pieces to complete this half term. Deadline is the penultimate Wednesday of term.

Can you complete all 6 tasks to get a full house?

Assess your homes energy usage.

*How many KWh do you use in a day/week
etc?*

Make it:

*This video shows how you can turn your
kitchen into an electrical engineering lab.*

Plastic-art

*So much of our plastic ends up in the
ocean. Instead of throwing it away,
create an amazing piece of art with it!*

Research the parts of a wind
turbine and how they work.

Research the creator of
electricity and create a fact
file.

Surprise me...
