

HIGH FIVE! TIMES

King Edwin's Monthly Newsletter - November Edition

Welcome to the High 5 Times! This side of term there has been plenty to report on, we are delighted to share with you what we have been getting up to here at KEPS!

Unit Of Learnings

A new start of a half term means a new unit of learning! We have seen some outstanding work from all children around school! This is what they are learning;

Year 1 are learning about our local area.

Year 2 are exploring capital cities (mostly London.)

Year 3 will be understanding all about coal mining in our local area.

Year 4 are discovering all about about the Ancient Greeks!

Year 5 are talking about Fairtrade!

Finally, our eldest children in the school, year 6, are focusing on the effects of climate change.

Boys football

Boys Football

A great 3rd place from King Edwin Boys team, we are so impressed. The tournament had 10 teams and was held at the Mansfield Stags Training Centre. The team included Zach, Konner, Nate, Carter, Max, Alfie, and Leo. All boys demonstrated determination and contributed to the great and growing success of our football team!

Girls Football

The KEPS Girls football team played a football match on the 19th October at King Edwin against Newlands Junior School. The girls played amazing and won 3-1. Newlands played well and scored a goal right in the top corner! However, KEPS were victorious with Olivia scoring a hat-trick! Well done to our excellent girls football team, Miss Kemp is super proud!

Book Fair

Our Book fair has just recently flown by and it was amazing to see so many people buying books. Our reading culture is growing here at KEPS! #KingEdREADERS

Play Leaders

We now have some extremely fun play equipment in school including scooter boards (which the children love). It is so great to see so many people playing with it and enjoying it. Thank you Play leaders and Mrs Knowles for working extremely hard so we can have this equipment to enjoy at breaktimes.

Remembrance Day

It was absolutely brilliant to see so many different colours of scouts, beavers, cubs, guides, rainbows and brownies on Friday, we are truly proud of everyone who took part in the march Sunday in the village. We were able to raise money to such a special charity. Thank you.

Coming in the Next Newsletter:

- Christmas Special Newsletter
- Y5/6 Christmas Carol at St Mary's Church
- Year 3 and 4 Christmas Play
- Test Week
- Christmas Dinner
- Christmas Jumper day

Ollie Hynds

Recently, an extremely talented paralympic swimmer took a trip to King Edwin to give an inspirational assembly and teach us all PE alongside Miss Kemp. It was amazing! We loved asking him some questions and we even got to see his gold paralympic medals. All the children loved getting his autograph, it was a great experience for King Edwin.

Pudsey Visit / Anti Bullying Week

It was amazing to see everyone raising awareness for anti bullying week in their funky mis-match socks! See the picture below for Willow's Spongebob and Patrick socks!

We also raised a massive £450 for Children in Need. Thank you! A big shout out to the School Council and Miss Hazelhurst for arranging the raffle. They even got to meet Pudsey too →

Eco Trip

A couple of weeks ago, our fantastic Eco and School Council took a trip to the recycling centre in Mansfield. We interviewed Henry about it. He told us 'it was a very interesting experience but also very stinky! However, it was fun and I certainly wont forget it.'
