Exciting Visit to Sherwood Forest - Science Adventure!

Dear Parents and Carers,

I hope this letter finds you well. I am writing to inform you about an exciting upcoming trip for our Year 2 classes. On Friday, 24th May, we will be visiting Sherwood Forest as part of our Science unit of learning on Trees. This trip will provide a fantastic opportunity for the children to explore nature, identify different tree species, and apply the methods they've learned in class to estimate tree ages.

Here are the details for the trip:

- **Date:** Friday, 24th May
- **Departure Time:** Approximately 9:15 am (please ensure your child arrives promptly at school)
- **Return Time:** We will be back in time for lunch at school
- **What to Bring:** Please ensure your child brings a **water bottle** for the walk and wears weather appropriate clothing.

During our visit to Sherwood Forest, the children will have the opportunity to:

- **Identify Trees:** We will explore the forest and learn to recognize different tree species based on their leaves, bark, and other characteristics.
- **Estimate Tree Ages:** Using the methods we've covered in our Science lessons, the children will make rough estimates of the ages of some of the magnificent trees in Sherwood Forest.

If any parents or carers are available to accompany us on this educational adventure, we would greatly appreciate your support. Please let us know as soon as possible if you are able to join us. We are looking forward to an enriching day in Sherwood Forest, and I'm sure the children will come back with fascinating stories and newfound knowledge about trees.

Thank you for your continued support.

Warm regards,

Year 2 Team.

P.S. If you have any questions or concerns, feel free to get in touch with the school office. We're here to help!
