

# King Edwin Primary School - Staffing, Classes & Transition

## Class arrangements for September 2024

Dear Parents,

This afternoon we told the children which teachers will be teaching them next year and I have attached an explanatory document with this letter for your reference.

We have a few staffing changes this year and I am very pleased to welcome several new additions to Team KEPS. Many of the new faces are already familiar with our children and school community. Several new members of staff have already worked with us in some capacity and we are delighted that they have joined our amazing KEPS team.

Mrs Cox, our school transition leader, has and will continue to share further information regarding transition activities in the coming weeks. We have several carefully planned opportunities for the staff and children to have transitional time in the next few weeks.

Change can often take people out of their comfort zone. Our transition arrangements at KEPS are specifically designed to help children with this naturally occurring development. We are very confident in our processes, and we are always happy to offer that little extra support for our KEPS families if you need a chat.

### Developments for September 2024

One of the many benefits of our outward facing approach as a school is the additional reward that supports a range of developments at KEPS. With the additional support of our very active FOKE team, we are fortunate to be able to invest in the following during the 2024/25 academic year:

*Further improvements to the aesthetics of our school (windows doors etc.)*

*Improvements to our Forest School*

*Significant investment in our Early Years Resources to further enhance our EYFS Curriculum*

*Year 4 and KS2 Chromebook leasing*

*ECO Hub Development*

*Rainbow room sky scene upgrade*

*New lunch time sports and games activity clubs every day*

*New After school activities - Sports4Kidz Ltd.*

*Subsidy of extra curricular activities*

*KEPS Fruit Stall*

*NEW KEPS Gardening Zone in our KEPS Orchard*

There are many other developments that I may have missed off the list. We are so pleased that we are able to further develop our school and give our KingEdwinners the very best provision there is to offer.

Thank you for your ongoing support.

Kind regards,

Mr Callaghan-Wetton - Headteacher

Mrs Lynn - Deputy Headteacher

Mrs Cox - Transition Leader

Year	Previous Class 2023/24	New Class 2024/25	Additional Support staff
