

Withdrawal Process

The Immunisation service needs to provide a safe and efficient procedure for the Immunisation team to correctly identify consent forms that require withdrawal and to only vaccinate those with consent.

We advise parents or guardians to contact our office team to withdraw their child's consent form. On occasions they may inform school first. If a parent or guardian has informed you that they wish to withdraw consent, then please complete a withdrawal form and pass this to the immunisation team and encourage them to call our team so we can ensure that their form(s) are withdrawn prior to the session.

Our team can be contacted on 0333 358 3397 / Option 4 followed by Option 2 for Immunisations Team.

Please help us to provide a safe and efficient service by ensuring all school staff are aware of the withdrawal process.
