Every child works towards an official,
exam-free, Ofqual-regulated music qualification!

Dear Parent or Guardian,

The start of a new academic year is a great time to begin Rocksteady lessons. Your child can enjoy the magic of music by learning to play in their very own band through weekly in-school rock and pop lessons. It's the perfect chance to learn **new musical skills while having fun**. Parents often find that Rocksteady lessons also boost **children's self-belief, wellbeing, life skills and even academic achievement**.

Your child will progress through the Rocksteady curriculum and collect up to 300 different musicianship, performance and instrument skills along the way.

Here's what you need to know:

- Lessons are held during the school day. There's no experience necessary and all instruments are provided, so it's **inclusive** and **accessible**.
- Your child can choose from **vocals, keyboard, drums, bass, or electric guitar** (subject to availability). They'll join their bandmates for a weekly 30-minute lesson, where they'll learn some of their favourite songs.
- You can proudly watch as your child performs in their end of term concerts, showing you and their friends just how far they have come. You can also **follow their musical journey** in your **Backstage Account** for regular updates on their progress and occasional photos or videos of them in lessons.
- Loved and trusted by thousands of schools, lessons are taught by experienced professional musicians who make music education fun. Your child's band leader will **support and inspire** your child while making sure they progress at their own pace.
- Your child will work towards an official, exam-free, Ofqual-regulated music qualification, at no extra cost. The longer your child stays with Rocksteady, the further they will progress!
- It's **hassle-free** with a **money back guarantee** for the first month. You can **cancel at any time**.

Booking for September is now open. Places are offered on a first come, first served basis. Selecting different instrument options will give you the best chance of joining a band as soon as possible.

For more details on availability and cost, visit rocksteadymusicschool.com and find your school on the sign up page or call **0330 113 0330**.

Best wishes,
Rachel Hawker | Director of Education

P.S Did you know, in the last year more children have achieved Rocksteady's unique exam-free music qualification than the total number of students who took A-level Music?

We have pupils who are extremely shy and softly spoken in the classroom, yet Rocksteady has helped them to grow in self-belief!

My son has loved Rocksteady over his primary school years. His confidence has grown and so has his interest in music and learning music.

”

Our children really feed off the teamwork and the kind and supportive tuition. We have found that confidence built as musicians translates to confidence throughout the curriculum.
