Dear Parents and Carers,

I am thrilled to inform you about an exciting educational opportunity we have planned for our Year Four students! On Wednesday 16th July 2025, we will be taking the children on an overnight stay at The Deep in Hull. This visit is directly linked to our Spring 1 unit of learning on the classification of animals and we have chosen to schedule it for the summer term to provide ample time for parents and carers to plan and make payments.

During our stay at The Deep, your child will have the chance to explore the entire venue, gaining unique insights into marine life and the ecosystems within. A highlight of the visit will be the 'Turtley Awesome' workshop, which offers a fascinating exploration of turtles and their habitats. The visit includes a warm evening meal and breakfast the following day.

At this time, The Deep has informed us that changes to their budgeting may result in adjustments to their pricing. Therefore, while we cannot give an exact cost just yet, we have prepared an approximate price of £85, which includes all activities, meals and transport. Please be aware that this price is subject to change slightly, depending on their updated rates. We will confirm the final cost and provide additional details in January once we have precise pricing.

This overnight experience will undoubtedly be a memorable and enriching opportunity for your children. We will be in touch early next year with more concrete information but if you have any immediate questions, please do not hesitate to contact us. Thank you for your continued support. We are very excited to offer this incredible learning experience to our Year Four students!

If you would like your child to go on this trip, please secure your child's place on the school gateway along with a £10.00 non-refundable deposit by Friday 31st January 2025.

Warm regards,
