

Tapestry

Tapestry is our way of sharing those wow moments in school but remember you can upload photos and achievements on here too.

If you have not yet signed up for a Tapestry account, please speak to your child's key worker.

Let's Talk

Our talking tip: Join your child in pretend play. Let them take the lead. This will help their language and creativity. Talk about what they are saying and doing rather than asking lots of questions. Your commentary helps their language skills and shows you are listening and interested. Or there are more tips on:

Our Theme

Our unit of learning this half term is "Are Frogs Slimy?"

We will be exploring a range of minibeasts, learning about their life cycles and even identifying the sounds frogs can make. If you have any experience or something of interest for this unit - please get in touch.

Our books for this theme include Aaaarrgghh Spider by Lydia Monks and Oi Frog.

Sports Day

We are so excited for this year's Sports Day. We will be joining F2 for a "Foundation Sports Day" which will include a carousel of sport events.

9:15am - 10:15am for Badger class and morning F1 children

2:15pm - 3:15pm for Fox class, afternoon F1 children and children who access 30 hours.

Children will be able to come into school wearing any sports clothing, a hat and water bottle (please put names in).

Summer Term

At the end of school year our Cubs who are moving into F2 will receive a report - a learning journey of their time through F1. (This will be sent via Tapestry.)

Our Cubs who are remaining with us for the next year are offered a Parents Evening. This will be on Tuesday 17th June.
