 Buttercross Estates

A message from the BNSO26 Team

'We wanted to take a moment to say a huge thank you. Back in March 2025, some of you joined us for the Big Newark Sleep Out, and by giving up your bed for just one night, you helped raise an incredible £15,024.50 for young people in our Newark community. That wasn't just a number — it made a real difference, right here in our town.

For Newark Emmaus Trust, your efforts helped provide safe accommodation, life skills training, and ongoing support for young people aged 16–25, helping them rebuild their lives and move towards independence. This is a local event with local impact — and some of you were a big part of that.

The Big Newark Sleep Out is back for 2026 on Friday 20th March at the YMCA Community & Activity Village. We'd love to see you again for another rewarding night under the stars.

Could you take it further this time? Maybe challenge another team at your workplace, or invite a friend or family member to sign up with you?

Register now: <https://ymcanewarksherwood.org/big-newark-sleep-out>

Your impact in 2025 was real. You raised awareness. You changed lives. Let's do it again.

Even bigger. Even bolder in 2026.

Warm wishes,

The Big Newark Sleep Out Team'

■ Our 2026 Charity Fundraising Ball ...

... takes place on Friday 24th April 2026 – and yes, tickets are already selling fast!

AND THE GOOD NEWS IS... Barcode Warehouse has again agreed to be our headline sponsor; Along with Wrigleprint, Currys GXO, DCL, Hunter Global, Radio Newark, Minster Veterinary Centre, Future Prospects Group, Jamieson Christie Wealth Management and Newark Showground, Hucksters Firepot and Primeprint (with pro bono services) have all agreed to support this event, We are extremely grateful to all of those that have again agreed to give us their unstinting encouragement and assistance. Staff from Barclays will once again be helping with the raffle and there will be a few new surprises on the night! WE NEED YOU... to make the party go with a swing.

A brilliant fundraising night at our Ceilidh

The annual NET ceilidh on November 1st was a sell out again raising £1037.25. Local band 'Malt Whiskers' and caller Chris Rose were on great form and the dance floor was full with a lot of laughter especially from those new to ceilidhs.

Chris Rose (NET Trustee) and Anne Readman (NET Volunteer), the Ceilidh organisers would like to thank Dave Hinchcliffe of the Willows Conservation & Private Fishing for sponsoring the event and the Barnbygate Newark store of Lincolnshire Coop for providing most of the food for the Ploughman's Supper. A member of staff and residents helped set up and clear away, we couldn't have done it without them, thank you!!

Top: Superb music was supplied by the Malt Whiskers Ceilidh Band.

Above: Everyone enjoyed the Ceilidh dancing at North Muskham Village Hall.

Diners get into the swing of things

Our Curry and Live Music Night raises over £1,400!

The Newark Emmaus Trust's second, mid-week party fundraiser at the Baseri Nepalese and Indian restaurant in Newark, went with a real swing and raised just over £1400, every penny of which will go towards supporting our residents. Another fantastic night, generating much needed funds. It is also a fantastic way to increase awareness of homelessness in Newark and the service that the Trust provides... and enjoy great food, listen to fabulous music, have fun, and add a kick-start to the festive season!

Nicola Burley, CEO of the Trust, commented: 'We are, as always, very grateful to our sponsors **LJA Facilities Ltd**, **Minster Veterinary Practice** and **DCL Business Services** without whom these events could not happen... and a massive thank you to the amazing team at **Baseri Nepalese and Indian restaurant** for providing the venue and delighting us with their amazing food at charitable rates. Thank you too, to everyone who donated raffle prizes and purchased raffle tickets – helping us to raise just over £1400'

CEO Nikki went on to introduce Trust resident, Harrison Parker Harrison, spoke very movingly to the guests and told them about his experience of homelessness and how the Trust has helped him (*see side panel p7*).

Restaurant Manager, Basant at **Baseri Nepalese and Indian restaurant** on Castle Gate, Newark-on, Trent, said:

'Thank you for holding your mid-week fundraiser

Above: Singer, Frank Power.

Above right: Resident Harrison takes to the stage.

Inset in main picture left (p6) Gita, Mia, Chef Dev all from Baseri Nepali Restaurant and Nikki, CEO of Newark Emmaus Trust.

with us. It was a great evening, and we truly appreciate your support! I'm glad you and the team enjoyed the food and hospitality — the whole team, including head chef Dev, was delighted to look after you all. We would be very happy to host a third event next year. Thank you again for everything, and we look forward to welcoming you back soon!

Music was provided by the incredibly talented and versatile Frank Power who sang songs from his catalogue including swing, ballads and tunes to dance to!

The evening was made possible by sponsors: **LJA Facilities Ltd.**, who provide reliable services such as asbestos removal and thermal insulation; and **Minster Veterinary Practice** who aim to be the best-equipped vets in the area, making them able to provide the highest level of pet healthcare; **DCL Business Services** who look after Employment Law, HR and Health and Safety legal needs. All three companies are highly valued friends of the Trust, and their support is very much appreciated, **and we are excited and grateful to announce that all three have also very kindly agreed to support us again on Wednesday 10th June.**

'I have been with the Trust for around a year and a half and when I was asked if I could say a few words tonight, I agreed without hesitation. I don't think I will ever be able to repay the debt that I owe to the Trust. It has been a humbling and scary couple of years and asking for help is not something I am good at.

I was 21 when I first arrived at the Trust with nowhere to go. From the moment I first talked with Sue... and from thereon I knew I that these guys were good, not just at their jobs but as people, my initial fear soon faded and I have been receiving support throughout my time here. When I thought about what I wanted to say, I knew I needed to thank everyone who works for the Trust. Every resident is assigned to a key worker, who helps us whilst at the Trust. They make sure we're doing what we're supposed to be doing and also make sure that we are OK. The team got me through some seriously difficult times.

I would also like to thank everyone here tonight; it is reassuring to know that there are so many people that are willing to share their time to support events like this in order to help me and others in similar circumstances.

The Trust for me is a sanctuary that, through kindness and a lot of back-breaking work has not just changed my life but saved it too. I have gone from a guy who knows nothing about his future and where I would get my next meal, to having a plan, and within the next 6-8 months, be ready to go out on my own and be independent.'

Team Training at the Trust

An update on staff development

The Trust takes developing its team very seriously and has a rolling 5-year training programme which is mandatory, but we also provide the opportunity for staff to develop their own skills, subject to budget, if other training is appropriate to their role.

This year, 16 courses have been added to the programme which are spread throughout the year for the team to complete. This includes but is not limited to further training on safeguarding, professional boundaries, different aspects of health and safety, environmental awareness, communication, menopause awareness, wellbeing and stress, and GDPR.

Most of the training is completed through an online platform called 'Me Learning'. They provide a library of over 200 interactive e-learning courses which allows our staff to complete each month at a time convenient to themselves.

As already stated, we take our duty of care very seriously, including our legal obligation to safeguard employees, residents and others from harm by taking all reasonable steps to protect their health, safety and well-being. This encompasses physical and mental health, preventing discrimination, and addressing risks through risk assessments.

To comply with legal regulations, we often use outside providers, and in addition to the rolling

internal programme, Phoenix has provided NEBOSH training to our senior support worker, an essential course that our Deputy CEO already has and a hard and demanding course that she was delighted to pass and gain her General Certificate in Occupational Health and Safety.

One of our support workers qualified as a Mental Health First Aider with Kendall Training and the CEO and Finance and HR Manager qualified as Mental Health and Wellbeing Ambassadors, delivered by Newark Community First Aid. Furthermore, 2 of our support workers have also completed their Legionella Training, provided by 'Commodious'.

Every year we complete safeguarding training at all levels and this year we were delighted to welcome the Toy Library who delivered safeguarding training for adults in a classroom setting which was very engaging and interactive.

We also like to work in partnership with other businesses in the community and we have been developing our Equality and Diversity action plan with the help of Skanska A46 Newark Bypass and a special thanks to Stella Taylor, EDI and Behavioural Maturity Lead for lending her time and expertise.

Thank you to all that help us stay up to date with this important area of our work.

Our Annual Report 2024-25

We are delighted to unveil our new-look Annual Report with thanks to **Primeprint** for their assistance. It is also available online, please visit our website to take a look...

A very busy year in a snapshot!

[Annual Report 2025 - Newark Emmaus Trust](#)

Resident Forum

At the most recent meeting of the Resident Forum, residents discussed how to prepare for the winter months and talked about radiator settings. Support Worker, Will spoke about being mindful of causing condensation and ensuring good ventilation throughout the winter months, particularly if using a clothing airer; ways to keep warm and keep accommodation warm during winter was discussed. A section of the meeting covered Health and Safety issues and there

was also an opportunity for residents to share their recent achievements: X passed his college course and showed his certificate. X was welcomed into the trust. X for having their first customer for their cleaning business, X child is starting to crawl. X on getting a part-time position. Finally Will and residents wished one of the residents a happy 21st birthday!

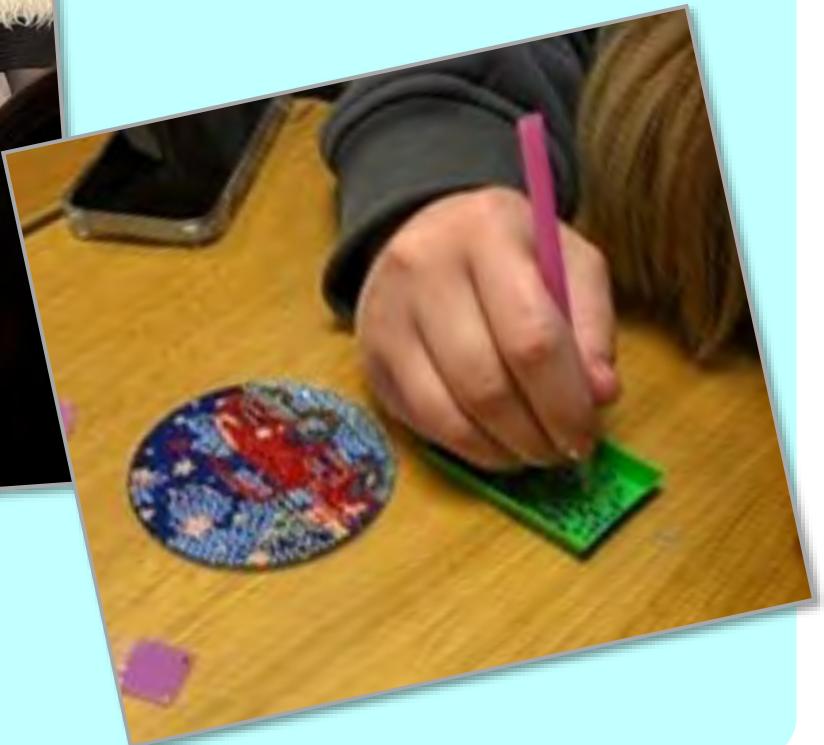

A selection of Activities Enjoyed by our Residents

Our residents have been taking part in various activities such as: pumpkin crafts, a visit to Southwell Workhouse and a "Bake Off" competition with Newark & Sherwood District Council.

Our parenting group has been making spookily fantastic salt dough plaques ...

... and our residents attended a pantomime in November at North Muskham village Hall

Top left: Nikki and Sally along with resident's visit Southwell Workhouse to see their exhibition about homelessness then and now which features NET. Visitors to the exhibition kindly donated new Christmas presents for our residents.

Top right: pumpkin crafts

Below left and right: 'Bake Off' competition with Newark & Sherwood District Council

Parenting Group enjoy a ride on the Polar Express

The Polar Express trip in December with our Parenting Group delighted everyone.

The group enjoyed on board entertainment and were given hot chocolate and cookies, yum!

We are so grateful to the BNA charitable organisation for funding this trip. A special thanks also goes to the Children's Bereavement Centre for all their hard work organising the trip.

BNA

Residents Show Respect for our Veterans

Support Workers Will and Becky remember veterans for Armistice Day by creating these beautiful displays with the residents.

Farnsfield-based 'Solar Solutions' names NET as its 'charity of the year' 2026!

The trust is delighted to announce that it has been chosen by local company 'Solar Solutions' to be its 'Charity of the Year', 2026! Nicola Burley, CEO of the Trust commented:

'I am thrilled and delighted with this news. Recently I met with managing director, Josh Turner, to discuss the ways in which our partnership can be mutually beneficial over the coming year. It is a great privilege for the Trust and we look forward to working with Josh and his team on fundraising events and activities.'

Josh recently visited the Newark Emmaus Trust and he says: 'I was very impressed with the work carried out for the young homeless people of the Newark area. The Trust helps young homeless people in the area to find housing, gain skills and mitigates the risk of the homelessness cycle. I am keen to raise as much as we can for this very worthwhile cause. There are fundraising events planned for the coming year and we would love to be involved.'

Founded by Josh Turner, **Solar Solutions** offers a range of solar energy solutions designed to help homeowners and businesses reduce their energy bills and increase property value. Josh has been in the electrical business for 12 years serving NG14, NG25

and surrounding areas. His move into solar energy began a few years ago when he helped a friend with a solar project and subsequently gained his BPEC award. Since then, Josh and his team have tackled projects of all sizes, from small domestic installations to large solar farms, including GSE in-roof and off-grid systems.

Solar Solutions prides itself on providing local, friendly advice to its customers and helping out in their local community where possible. They offer free designs including 3D roof models, payback calculators, performance assessments, roof weight evaluations and shading analyses. This comprehensive approach ensures that customers receive tailored solutions that meet their specific needs. For more information contact **Solar Solutions** on 01623 277636 and discover how they can help you make the switch to solar.

Above: Nikki Burley (CEO) shakes hands with Josh Turner, founder Solar Solutions.

Harvest Time

We received lots of harvest donations again this year and we are very grateful.

Communications and Outreach Manager Louise attended Claypole Primary School to watch their Harvest celebrations and receive donations from the children.

A big 'Thank You' to everybody in the community who donated harvest gifts!

Fundraising and Grants Received this Quarter

Our thanks go to all who have donated: food, particularly harvest donations; Thank you too for the gifts of all the useful items of kitchen equipment; furniture; toiletries; other household items; Christmas food and Christmas gifts all of which, each and every one has been very gratefully received from:

St Helen's Church Brant Broughton; Claypole C of E School; Newark Day Services; Wellow Church School; Fenton Church, John Hunt School; St Helen's Church, Kneeton; St Martin's Church, Stubton; All Saints Church, Beckingham; St Matthews Church; Winthorpe and District WI;

Newark Foodbank; Seventh Day Adventist Church; Bridge Community Centre; N&SDC; Skipton Building Society; Newark Football Club; Southwell Workhouse National Trust; The Palace Theatre; Holy Trinity Church; Mount C of E Primary School.

Thank you too for the donations of cash both large and small, many of which are anonymous and amount to approximately £4,500.

The funds raised by Sister Elizabeth's Pilgrimage to Rome earlier this year continue to grow, her current total is £9,556.06 We are in awe of the amazing Sister Elizabeth!

Grants Awarded this Quarter

A46 Social Value Fund

£8393 awarded to replace 2 very old and worn kitchens in the Project. It will be used to purchase cupboards, worktops, tiling, flooring and appliances. It will help our residents to learn life skills such as cooking on a budget and healthy eating.

The Beatrice Laing Trust

The Beatrice Laing Trust supports organisations offering practical services to those who are disadvantaged and vulnerable.

They have awarded us £1500 for the replacement of some of the fire doors in our homeless project.

Mansfield Building Society

The Mansfield Building Society Community Support Scheme have awarded us £400 to use for well-being activities. We aim for our young people to build positive relationships with each other, create new friendship groups and reduce isolation.

The grant will be used to purchase books and materials for our book club and craft sessions.

Tesco Stronger Starts

We have been awarded £1,000 from Tesco Stronger Starts grant for us to provide wellbeing activities. We will run weekly activity session focused on wellbeing.

The sessions will be aimed at building confidence and social integration. The young people will learn how to cook on a budget and prepare fresh food from scratch. Professional counselling sessions can also be included if needed.

Centrepoin More than a roof – Move on grant

This grant of £1600 has been awarded to enable 4 young people moving on from the Trust to be able to purchase items for their rooms. This will give them a foundation to build on in their new accommodation, in terms of having some items to get them started

The Neighbourly Foundation – B&Q Foundation

B&Q Foundation grants are available to UK Registered Charities for helping to improve homes or community spaces for people in need. We have been awarded £10,000. This will be used to provide new kitchen units, hob and oven, extractor fan and sink units. We will be able to decorate and re-tile the area. It will also provide funds available to purchase kitchen utensils and equipment which will benefit the young people we accommodate now and in the lifespan of the new kitchen.

A generous cheque from our friends at 'British Sugar'

CEO Nikki Burley said 'It was so lovely to meet our friends and supporters from British Sugar. They have supported the Trust for many years with donations and voluntary work for our residents, so it was a pleasure to accept a cheque from the '600 days Injury Free' scheme, presented by Martin and Graham.'

NET staff join BBC Radio Nottingham to raise money for Children in Need

Our CEO Nikki and support worker Will joined BBC Radio Nottingham for part of their 1000 mile three-legged challenge and were live on the radio whilst being tethered to the presenters. Community spirit was high; they met Pudsey Bear and helped raise thousands of pounds for Children in Need, a cause close to our heart as they have funded our parenting programme for many years.

Thank You Gusto!

Here is our Deputy Chief Executive Officer receiving a cheque to the value of £1000 from the Gusto Community Fund. We are very grateful to the Gusto Community Fund for their generous spirit – particularly at this time of year, thank you Gusto!

Christmas Market Toy Stall ...

... raises funds and highlights our work with the good people of Newark

Communications and Outreach Manager Louise, support workers Sally and Becky, volunteer Anne and residents Chris and Jermaine held a toy stall at 'Newark Christmas Market and Light Switch On', to raise funds for NET. They had a great day and met the Grinch too!

Waitrose Tokens for NET

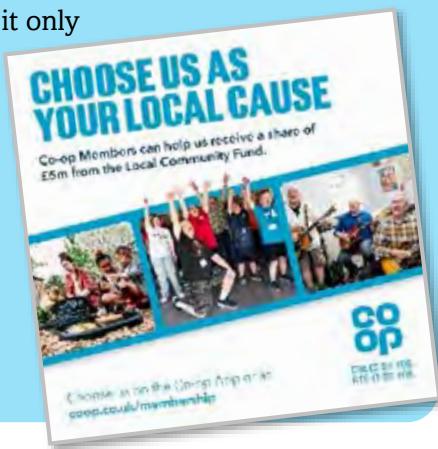

We were chosen to be one of 3 charities in the Waitrose token appeal. Customers could choose to put tokens in one of 3 boxes from October to December and we won! Thank you to all that supported us and we are excited to receive £1500 which will go directly to supporting our residents. Thank you to Waitrose for choosing us. We also send our congratulations to Newark Pensioners Sunday Roast Club and the Yasmine McClory Foundation.

Anna Rooth from Waitrose is pictured with Communications and Outreach Manager, Louise Rumble.

Help us to raise funds with the Coop!

Another opportunity to support us! You can help to make a difference by choosing us as your local cause if you go to www.coop.co.uk/membership register as a member. You will receive Coop discounts and at the same time you can vote for us so that we can be in with a chance to win a share of £5 million! And it only takes a minute.

Bags of Blessings

Bags of Blessings delivered by Tony from The Riverside Church in Southwell

We were delighted to have a return visit from Tony at the Riverside Church in Southwell. Riverside has again delivered their love for the homeless and vulnerable through 'Bags of Blessings'. We are very grateful for these wonderful donations which go directly to our residents. A very practical and thoughtful gift. Throughout the year they have several appeals for donations to bring practical help and hope to homeless people in Newark and Mansfield.

Local Knitter turns Creativity into Kindness for NET

A talented local knitter has quietly raised hundreds of pounds for the Emmaus Trust in Newark by doing what she loves most – creating beautiful handmade soft toys.

Inspired by her mother and grandmother, from whom she says she “inherited the knitting gene,” Jennifer Peace began knitting jumpers before turning her attention to toys. What started as gifts for school fairs and friends soon grew into something much bigger. ‘People seemed to like them,’ she explains. ‘And with the advent of the internet, I had a whole host of patterns to choose from, so I could knit almost anything I was asked for. Being smaller than jumpers, I could knit them more quickly too.’

With only so many toys that friends and family could buy, Jennifer began looking for another outlet – and found it in charity market stalls supporting the Newark Emmaus Trust. The first recorded stall was in 2018, when she donated £361 to the charity, and she has continued to support Newark Emmaus Trust annually ever since. Her motivation comes not only from her love of knitting, but from seeing the real impact of the charity’s work. ‘On various occasions, people have told me that they have been helped by the Newark Emmaus Trust in Newark, so I know that it is a good cause to support,’ she says.

Over the years, she has been helped on the stall by a variety of friends, as well as her husband and

Fundraiser for the Newark Emmaus Trust, Jennifer Peace, can just be seen behind her ‘stallful’ of beautifully crafted soft toys at the recent ‘Newark Christmas Market’.

daughter. ‘I couldn’t do it on my own – the knitting, yes, but not the selling!’ she laughs. ‘I usually have knitting needles and yarn around somewhere though.’

As for how many toys appear on her stall each year? ‘I’ve no idea,’ she admits. ‘A stallful – if there’s such a word!’

Nikki Burley, CEO of Newark Emmaus Trust, said: ‘Support like this makes an enormous difference to our work. What’s so special about Jennifer’s fundraising is the time, care and love that goes into every single item. It’s incredibly heart-warming to see her creativity turned into practical support for people who need it most, and we are hugely grateful for her continued commitment to the Trust. We would like to thank Jennifer and everyone who has supported her stalls over the years. Her dedication, creativity and generosity have made a real difference to the lives of people supported by the Trust – one stitch at a time!'

Christmas Tree Festival

Communications and Outreach Manager, Louise Rumble and a resident decorated the Christmas Tree in the Buttermarket, Newark Town Hall for the Christmas Tree Festival being held there.

Our visit to Orchard House School

Communications and Outreach Manager, Louise Rumble, visited Newark Orchard School in November to talk to the children about how Children In Need funding helps us at NET.

The students were doing a fundraising event for CIN and were interested to learn how the funds help organisations like NET. She thoroughly enjoyed the afternoon spent with the students and answering their questions which they had prepared for her.

Residents of the Month

Lewis Haywood (*on the left*) was nominated for being very helpful to staff and motivating other resident's during recent trip to Centre Parcs.

A unanimous vote for Jermaine Jones (*on the right*). All agreed he is a model resident who helps staff and other residents out. He attends activities and was very appreciative of the Centrepoint Grant, his room is kept spotless and he attends College.

We say a fond farewell and pay our respects to our supporter Laurence Goff

'And finally, a few words from our CEO, Nikki Burley said: 'It is with great sadness that we share in the passing of our friend Laurence Goff, a remarkable man whose compassion and dedication touched countless lives. Having experienced homelessness himself in his early life, Laurence devoted much of his time and energy to supporting our charity and the young people we help.'

Through his campaigning and fundraising, he became not only a passionate advocate for those facing homelessness but also a source of inspiration to us at the Trust. His kindness, determination, and unwavering belief in the power of community left a lasting mark on all who knew him.

Laurence will be deeply missed by everyone at Newark Emmaus Trust including the directors and

Laurence Goff with Nikki Burley our CEO and Kate Baxter CEO of CBC at our 2022 Spring Ball

trustees, as well as by the many individuals and families whose lives he changed for the better. Our heartfelt condolences go to his family and friends during this difficult time.

His spirit and legacy will live on in the work he helped to make possible.'

Focus on Social Media

Join us on Instagram

Instagram

@newarkemmaustrust

As many of our readers and supporters will know we are active on social media at the Trust and we are keen to gain new followers. We already have a thriving Facebook page and a following on 'X', however we have recently joined Instagram and would love to say 'hello' to any other Instagram followers. Please look us up and give us a 'follow' then we can follow you!

HOW TO SUPPORT US

If you would like to support us either by fundraising, naming us as your charity of the year, providing donations or pro-bono help, please contact Nicola Burley on 07719 575040. We would love your support in helping us to transform lives and help young people to live independently. Get involved, the benefits will be mutual.

Newark Emmaus Trust: Provides accommodation, support and training for homeless young people aged under 25 including pregnant teenagers, young parents and their babies.

All accommodation is in Newark and includes shared houses for young people of the same gender, shared houses for young people of mixed gender, self-contained flats and houses for mothers and their babies or family units. All the accommodation is fully-furnished and ready to occupy.

An agency can refer a young person for an interview and the project also takes self-referrals.

A SPECIAL THANK YOU TO OUR CURRENT CORE FUNDERS, WHERE WOULD WE BE WITHOUT THEM?

* BBC Children in Need is a trade mark of the British Broadcasting Corporation and is used under licence

A big thank you as always to all that support us and enable us to provide support to our young people, without which we could not provide such an amazing local service. If you need help or know someone that needs our help, please contact us by telephone or email.
