## Tapestry - First Aid

Dear Parents and Carers,

We would like to inform you of an update to how we communicate First Aid incidents within F1 and F2 at King Edwin Primary School.

Moving forward, we will be using Tapestry as our primary method of communication for any First Aid incidents that occur during the school day. It is therefore important that you ensure your notifications are turned on so that you receive updates promptly.

Through Tapestry, you will receive information about the nature of the incident and the First Aid that has been administered.

Please note that we will no longer be issuing pink First Aid forms, except in cases where incidents occur during lunchtime and are managed by our Midday Supervisors. In these instances, a paper form will still be provided.

If there are any significant incidents that occur during the school day we will continue with our current practice of a phone call home.

If you have any questions or would like to discuss your child's incident further, please speak to your child's class teacher at the end of the school day.

Thank you for your continued support.

Kind regards,

Mrs Hart and Mrs Stafford  
EYFS Leads
