Parent Notices

Deaf Awareness Week May 4th - 10th

In support of Deaf Awareness Week, we would like to share some information about one of our wonderful KingEdwinners. This May, Ava and her mum are taking on the [National Deaf Children's Society 100 mile challenge](#).

Ava-Rose's Journey to the World of Sound

Ava-Rose was identified with a significant hearing loss shortly after birth and, despite early hearing aids, was unable to access sound in the way she needed. Following specialist assessments, she was accepted for cochlear implants. Now, nearly three years on, Ava-Rose is thriving, meeting her milestones and experiencing the world of sound alongside her peers. Her journey has been filled with determination, expert support, and emotional highs and lows—but above all, joy and progress.

The **National Deaf Children's Society** supports deaf children of all levels of hearing loss. With over **54,000 deaf children in the UK** and **99% of its work funded by the public**, your support truly makes a difference. Please consider donating and helping more children like Ava-Rose reach their full potential.

School Gates and Railing Refurbishment – BE AWARE – WET PAINT

We are extremely pleased to announce that we continue to develop our ongoing relationship with **WNC West Notts College**. In the coming weeks and months, to celebrate our 100th Year as King Edwin School, **WNC students are prepping and painting our gates and railings at the front of the school**. We are also very grateful to **Key DIY in Ollerton** for their support with providing materials at cost for this significant project.

Please ensure that all children and families are **extra cautious when walking near the railings**. We expect a few weeks of **wet paint warnings** whilst the work is being carried out. Obviously, it would be easier if completed in the holiday period but college students aren't available at this time.

Once again, let me extend a huge thank you to WNC for their ongoing support of our lovely school. The savings that we gain from such collaborations, have a significant impact on what we can provide for our KingEdwinners, it really is wonderful to have their support.

Kind regards,

Andy Callaghan-Wetton - Headteacher

* Don't forget - Our help and support line is always available at helpandsupport@kingedwin.notts.sch.uk
