Dear Parents and Carers,

Please see below, a very special message from Mrs Merrygold as she bids farewell to KEPS tomorrow. I am sure you will all join us in wishing Mrs Merrygold the very best for the future. She is and always will be one of the most amazing KingEdwinners to have ever worked at KEPS. Over the past 23 years she has touched the lives of so many KingEdwinner children and we will all miss her greatly. Thank you Mrs Merrygold 😊

Dear KEPS community,

I want to thank you all for welcoming me into this amazing community. I have thoroughly enjoyed teaching the children at KEPS for over 23 years, be that in my classroom or through the Art Clubs I have helped create. Teaching at KEPS has been an absolute pleasure – the children have been amazing, and the support and friendship of the staff have made the experience truly unforgettable.

A message from me to our amazing King EdWINNERS

As I leave, one of my greatest hopes for you all is that you never lose your sense of curiosity and wonder about the world. Read widely – not just for knowledge, but for joy, imagination, and understanding. Books can take you to places you never expected and help you see the world through different eyes.

Be creative, draw, write, build, question, explore, make mistakes, and try again. Creativity is not about being perfect; it's about being brave enough to think differently.

And always make time to notice the awe and wonder around you – in nature, in ideas, in people, and in the small moments that often pass unnoticed. The world is far bigger and more beautiful than we sometimes remember.

I hope you continue to ask questions, to stay open-minded, and to never stop learning. And remember you may not know ityet!

Thank you for being such a supportive community and allowing me to play a part in your children's lives.

All the best for the future
Mrs Merrygold
