## MESSAGES ABOUT END OF YEAR REPORTS VIA TAPESTRY

9<sup>th</sup> June 2026

Dear Parents/Carers,

As the end of the academic year approaches, we would like to take this opportunity to ask you for any comments you might have. Please take some time to add one final Tapestry entry to let us know your thoughts about your child's time in F1/F2; it would be greatly appreciated.

Please add the entry to Tapestry with the title, "Relative Contribution". The deadline for this is **Friday 3<sup>rd</sup> July**.

Please note that staff will now be generating end-of-year reports, therefore no more 'new' Tapestry entries will be sent. Please do not add any more after this date from home, either, as they may get missed. You may notice alerts to view some older observations again; this is due to staff members reviewing past observations. Apologies if you get lots of messages from Tapestry during this time.

All current Tapestry entries will be published as a PDF for you to download and keep by the end of the year. After this time, the Tapestry data will be erased. You have seen every entry so far apart from the personal comments, these will form part of the final PDF.

We're working towards Artsmark  
Awarded by Arts Council England

Please note, we will be asking the children to provide their own comment for their reports therefore the "Relative Contribution" you add for the report should be solely your own views. We look forward to reading your comments.
