Parent Survey

Dear Parents Carers,

It's been another busy year so far at King Edwin Primary School as we continue to improve and develop the school for our amazing KingEdwinners. There have been so many developments in 2025/26 with even more contributions from our KingEdwinner Leaders who I must thank as they have been particularly awesome!

Our collaborative approach to working with parents and our community always helps the school to progress and support our KingEdwinners. The FOKE team and our many parent volunteers have been amazing as ever. Without such community support, our school would suffer and our children would miss out on so many opportunities.

We greatly value the views of our parents at KEPS and would be very appreciative if you could complete the following survey to help us continue to grow and develop our wonderful school.

The questions are directly from the OFSTED parent view site. Please take a few moments to share your views.

Thank you in advance for your continued support.
