Tuesday 16th June 2026

Dear Parents and Carers,

On Friday 19th June, we will hopefully be visited by BBC television regarding our onsite swimming pool provision. They are hopefully looking to deliver a feature programme or small production around Water Safety and Swimming in schools. This is particularly pertinent considering recent fatalities around the country related to swimming in lakes.

From what the children have told us, their swimming sessions have been a huge success. We are really pleased with the way the children have engaged and at how many children can now swim. The initiative seems to have been very well received and we are definitely booking in for next year.

The short BBC feature will most likely take place in the morning and I believe it may make the evening news later in the evening.

Obviously we already have a list of consents for children however, if you wish to find out any more information, please do not hesitate to get in touch.

Kind regards,

Andy Callaghan-Wetton - Headteacher
King Edwin Primary School
