Join us for our Weaving Project Day!

We are thrilled to invite all parents and carers to join us on the morning of Wednesday 15th July, for a special collaboration day centred around our Year 3 weaving project! This is a fantastic opportunity for you to engage directly with your child as they showcase the skills they have been developing over the half term. We believe that your involvement not only enhances their learning experience but also fosters a strong sense of community within our school.

Key Details:

- **Date:** Wednesday, 15th July
- **Time:** 9:30 AM - 10:30 AM
- **Location:** School Hall - Enter via side of Reception.

As part of this project, our Year 3 students have been exploring various weaving techniques inspired by the rich traditions of several Asian countries. They have learned not only the practical skills involved in weaving but also the cultural significance behind these techniques. You will be able to join in and support your child with their weaving project and even have a go at one of your own if you wish!

We look forward to seeing you all and as always, appreciate your continued support.

Year 3 Team.
